## THE INFOSECURITY MEXICO ORGANIZING COMMITTEE APPRECIATES YOUR INTEREST IN PARTICIPATING IN THIS CALL.

**Infosecurity Mexico** is the most important event in Latam for the cybersecurity and information security sector, where you will have access to trends, conferences and workshops, led by experts. It will take place at the Centro Citibanamex, Mexico City on September 30 and October 1<sup>st</sup>.

### Please consider the following:

- All proposals will be reviewed and approved by the Organizing Committee and by the Education Council made up of industry experts. Relevance, timeliness, innovation, tactical approach and quality of the proposal are key aspects in the evaluation.
- Proposals should NOT show any intention to sell; the content must be innovative, show industry trends and give examples of good practices.
- If your proposal is approved, all travel, lodging and transfer expenses will be at your expense.
- During the first week of May 2025, you will receive an email from RX indicating whether your proposal was selected.

### By participating as a speaker at Infosecurity Mexico, you will:

- Receive a free ticket for you and a companion to the exhibition area of the 2025 edition and to all educational sessions, including those that have a fee (Applicable only to Speakers participating in the Infosecurity Summit).
- Obtain personal and professional recognition for your company at the industry's number 1 conference and exhibition.
- Improve the knowledge and skills of your industry colleagues.

To evaluate your proposal, you must fill out this form and send it before April, 30, 2025 in PDF format to the following email address: [alejandra.barrientos@rxglobal.com](mailto:alejandra.barrientos@rxglobal.com)

## Types of stages and content:

- **Infosecurity Summit (30 min session) - Keynote**

Main conference of the expo where educational content is presented with national or international speakers who are role models (opinion leaders, gurus, evangelists) for their contribution to the information security and cybersecurity industry.

- **Infosecurity Summit (60 min session) - Panel**

Panel format conference with a maximum of 3 members and a moderator where each one contributes knowledge from different points of view directed to the same topic.

- **Infosecurity Summit (60 min session) – Fireside chat**

Conference where two opinion leaders or experts on the same topic debate, share and conclude on a particular situation that is impacting the industry.

- **Infosecurity Coffee (30 min session)**

Forum for exhibitors where they can present a trend, product or solution in an informal coffee chat environment where they can connect with attendees through innovative and interactive talks.

- **Cybersecurity Talks (60 min session)**

Lounge where speakers will present an innovative talk through a solution, a best practice or an experience that provides a differentiator in the information security and cybersecurity industry.

- **Hacking Lab (Duration is defined based on content) Brands will not be able to participate, but they can access a sponsorship to obtain leads and/or brand presence.**

It is a practical event where participants can simulate hacking attacks and learn how to defend themselves against them. The event will focus on real hacking cases where participants can practice their skills with the aim of improving their defense against cybercriminal organizations.

## THE AUTHOR MUST SIGN THE FOLLOWING LEGAL AGREEMENT:

### Legal Conference Acceptance Agreement

Upon selection of the presentation and acceptance of the terms of the participation agreement, the selected presenter (SPEAKER) grants permission to Reed Exhibitions Mexico S.A. de C.V., through Infosecurity Mexico (ORGANIZER), to duplicate, record and distribute the presentation, by means of digital media conferences, video, streaming, audio output and online.

The speaker must send his presentation in .ppt or .pptx format no later than 30 days before the start of the event, as well as inform of the utilities, scripts or code to be used in the conference.

Reed Exhibitions Mexico, through Infosecurity Mexico, will provide all technical audio and video equipment to the selected presenter (SPEAKER) within the assigned room (audio for the number of attendees, projector, projection screen and computer equipment). If the presenter requires any additional equipment, he/she must inform the ORGANIZER 30 days in advance.

The SPEAKER understands that only persons listed as speakers and actively participating in the presentation will have access to the lectures; co-workers, public relations persons, etc., who wish to attend the meeting must register for the event and cover the participation fee, if any.

It is important to mention that, for the protection of personal data, the RX Mexico team will not be able to deliver attendee databases to any speaker, exhibitor and/or client, without exception.

I HAVE READ THE ABOVE AND AGREE TO THE TERMS OF PARTICIPATION OF THE EVENT, THE PRIVACY POLICY, AS WELL AS THE TERMS DETAILED IN THE TERMS AND CONDITIONS AGREEMENT. IF I DO NOT ABIDE BY THE ABOVE REQUIREMENTS, I AGREE THAT I WILL FORFEIT ALL WARRANTIES DETAILED IN THE RULES.
