

Infosecurity México

Invitation Letter to Participate

To whom it may concern,

This letter serves as formal confirmation that the person named in the table below is authorized to attend **Infosecurity México**, as this is a business event open to professionals in the security industry. The individual may attend either to explore cybersecurity solutions and technologies or to exhibit their own products at the event. The use and intent of this letter are the responsibility of the bearer, whether for justifying their work absence, applying for a visa, or obtaining travel permits.

The event will take place at the **Centro Banamex in Mexico City from June 2 to 4, 2026**. Reed Exhibitions México, the event organizer, will not be responsible for any travel, accommodation, transportation, or any other fees associated with the visit. Additionally, they are not responsible for managing any reservations on behalf of participants or attendees.
